Привет,

Вот что они просят... Я так помню что тут потребуется некоторое время для оформления.  
Вчера еще послал письмо с просьбой Дубограеву (может ему это проще будет

сделать) но ответа от него пока не получил. Видимо он в отъезде.

Если можно связаться с этой девушкой по телефону. Может все проще будет (без нотариуса...).

Нотариус как раз таки самая простая часть. 67к на личном счету я никак не покажу :)

Давай положим тебе 70к на счет, покажем их, потом по надобности будем убирать  
то, что ты не сможешь снять сам.

The guarantor's purpose is to provide legal responsibility for the lease  
terms in the event of non payment of rent. Your guarantor will need to fill  
out the application and employment verification attached, and provide  
documentation. A bank statement and/or bank account showing funds equal to  
\$67,482.00 will need to accompany the application and verification. I  
attached the forms, but if you like, I can send them through email or fax on  
to your business partner to make it easier for you.

Они хотят... я могу показать вам документы на квартиру для аренды.  
Мы имеем договор аренды с Тимуром Дубограевым (они хотят видеть документы  
договора) и внесли сумму в размере 67000 рублей. Мы хотим получить (они  
запросили сумму в размере 67000 рублей и сумму в размере :).  
Документы должны быть 70000 рублей, поэтому мы, конечно же, предоставим документы  
всего, что мы можем предоставить вам.

Here is what they want... As I understand it would take some time to complete the paperwork.  
Yesterday I sent another email to Dubograev, asking for help (maybe it would be easier for him to do) but he did not reply yet. Probably he is out of the office..  
If it is possible, contact this girl over the phone. Maybe it would be easier (without notary...).  
Notary is the easiest part. There is no way I can show 67K on my personal account :)  
Let's deposit 70K on your account, show it, then we'll transfer back, when necessary, whatever you won't be able to withdraw yourself.
